Subject: Olive Anderson's view

Hello all,
Re 16151 Anoka Dr, Sawaii trees
View blocked on Anderson property 16051 Anoka Dr and Gharib property, 16043 Anoka Dr

As was reported last board meeting the fire co came to Olive Anderson's home not long ago as a result of her call to them and said they would call police dept to contact the Sawaii's re the dead pine tree.

I visited Olive Anderson a couple weeks ago and saw the view blockage from her back patio. Photo is attached. It isn't clear from the photo but the tree blockage is a row of pine trees on Swaii's property that are right next to the Anderson property line and almost completely block an extensive ocean view. The dead pine tree on the right end next to the Gharib property has yet to be removed.

I also visited the Gharib home last night and the tree obstruction is approximately 90% of the Santa Monica night lights, possibly some ocean.

I think it is appropriate at this time for the Tree committee to visit the Sawaii's.

I'll bring a copy of the photo to the Board meeting tonight.

Francine
