FYI

As a member in good standing of the Palisair Homeowners Association for 50 years, Scott Antoine, of the Wolf Group LA, suggested that I let you know that Ms. Leigh Silverton has once again hacked, cut, sawed my silver oak trees. I am so sorry to bother you with this, but Larry Friedman (President of PHOA) suggested that I notify you. It is my understanding the Hans Weber (Chair of the tree committee) is out of town.

Thanks,
Debbie Streiber
