Hello Patti and the Palisair HOA -

Please find the attached preliminary submittal application for the Orosco Residence at 1085 N. Palisair Place for HOA review at the next meeting. The architectural submittal package includes the required site plan as well as photographs of the existing house, a floor plan, elevations, and 3D perspective views to help convey the character and extent of the project. Please don't hesitate to call me at the number below if you have any questions, I'm happy to discuss or clarify any details about the project.

Also attached is the application form with copies of the application fee check (\$100) and the large remodel check (\$1,000) from Philip Orosco.

The hard copy of the submittal is currently being printed and will be delivered tomorrow to the address provided on the application form:
