Hello Dawn,

This is to inform you that we informed the Isaacs today that the PHOA Board had approved their plans as being consistent with the CC&Rs. We also informed the Isaacs that you had told the Board that you desire to meet with them to discuss possible revisions to the structure that might limit the impact on you. We have also offered our assistance to help mediate such a discussion.

We are hopeful that the two families will take advantage of an opportunity to meet on this and come to a solution that will be favorable to both of you.
