Greetings,

You asked for comments and thoughts regarding rooftop decks in our area.

We would favor some limitations on the size of rooftop decks in order to protect the privacy of neighbors. We would be less concerned if the deck is not directly viewable from a neighbor's property and more concerned if it is. In addition, we regard the relative quiet of our neighborhood as a great benefit, and would look with disfavor on large rooftop decks to the extent that they contribute to noise pollution in our neighborhood.

Thanks for asking for our comments.

Yours,

Rob Lempert & Nancy Perloff
