David:

I did speak to Chubb. Pending formal approval, she will authorize our firm to handle the matter. The hourly rate is \$295.00 which is \$100.00 an hour less than what our firm charges Palisair which is turn is over \$100.00 an hour below my normal billing rate. In any event, in order to hopefully get this resolved, I will agree to accept as payment in full what the carrier pays going forward through the mediation. If the matter does not settle at mediation, we will have to revisit that issue.
