Absolutely not. I'm going there tomorrow with my architect with plans. I don't want property I've paid for floating around ... Paper copies only if I choose to give anyone the intellectual property. I was over there on Monday evening meeting with Susan and not meeting with her husband. I've been very collaborative but some things are over the line.

Thanks.

Hi Danny,

Is it OK to send a PDF of your plans to your neighbors, Susan Budd Nicholas? Bringing neighbors into the process is in keeping with the board's commitment to transparency for all owners in our Association. it has been quite common over many years for neighborhood meetings to take place when evaluating a set of plans.

Thanks.

Kim
