re: Remodel Adjacent to Our Home

Dear Association:

We reside at 1101 Las Pulgas Place. As you're aware, there is an application pending by the owner of the adjacent property uphill on Las Pulgas Place to remodel or rebuild that home.

I've spoken with the owner, who indicated there is a copy of his plans on file with the Association.

We would very much appreciate the opportunity to view these plans and comment on them as part of your process in considering the application.

Please advise how to arrange this. My cell is 310 980 2976 and my email [donfransen@mac.com](mailto:donfransen@mac.com).

Thank you in advance for your attention to the above.

Sincerely
