Mr. Gonen is seeking approval to build a one-story home on this very large 35,056 sq. ft. flag lot that includes an existing extended flat building pad, plans for an infinity pool and a two-story, lower level small structure, the roof of which is at the same level as the upper extended building pad.

If you are not able to attend and would like to submit any comments or concerns, please email us at palisair@gmail.com.

Sincerely,
Francine Kirkpatrick,

Mr. Gonen is seeking approval to build a one-story home on this very large 35,056 sq. ft. flag lot that includes an existing extended flat building pad, plans for an infinity pool and a two-story, lower level small structure, the roof of which is at the same level as the upper extended building pad.

Francine,
Unfortunately, I am and will be out of town for this important meeting. I am trying to visualize the structure and pool, which Mr. Gonen hopes to create.
My greatest concern would be view obstruction and privacy issues.
Most sincerely,
Debbie Streiber

Hi Kevin,

The construction has not begun on that property; the owner just received final approval for his project from the PHOA and he also has been approved by the LA Dept. of Building and Safety. He has plans for an additional structure to be built near his pool (a guest room or office) but we haven't given approval for that yet; it is still under review.

Hope all is well with you and your family!

Best regards,

Diana Ungerleider, PHOA Secretary
