Hi,

Yes, I have received the package, thank you. Monday night's meeting is at 7:30 PM for plan review. It is at 16006 Anoka Drive, PP. You are welcome and encouraged to attend if your plan will be ready to be reviewed. I'll know more about that tomorrow once our Architect has reviewed them.

Thanks.

Kim

Hi Kim, can you please confirm you received the package left in your mailbox? In addition to the check were two copies of the roof specifications to supplement the plans .

Thank you very much.

When you have a moment can you please also tell me what will transpire at the Monday meeting and the location and time please?

Hi Mark,

Just realized I did not answer your question regarding the balance. For homes over 3,000 square feet the price is \$5,500. I have a check here for \$1,800 so the balance would be \$3,700 made payable to Palisair Homeowners Association or PHOA. OK to leave in the mailbox.

Thanks.

Kim

Hi Kim,

I just wanted to follow up regarding the submission, and make sure it is complete. Do you just need the additional application fee to submit to the board? Can you tell me the total amount that needs to be submitted, and we can have Steve drop it off asap. Also, please let me know if the application form we submitted is acceptable, or does it need to be updated? We would like to try to stay on target to be on the agenda for Monday's meeting. Thanks for your help with this.

Thanks,

Mark

Subject: 1055 El Medio Avenue

Hi Steve,

Just checking in regarding your submission for 1055 El Medio Avenue. I have not sent your plans to the PHOA Architect or the PHOA board for review as I am not allowed to do so until all of the submittal pieces are received. Please advise when you will be ready to move forward.

There is a board meeting next Monday, Nov. 21. The agenda for that meeting must be posted on the website 4 business days prior to the meeting. Just wanted to make sure you are clear on the procedures and timing.

Please let me know if you have any questions.

I look forward to hearing from you.

Thanks.

Kim Bantle
