

PALISAIR HOMEOWNERS ASSOCIATION

Dear Palisair home owner,

The Board of the Palisair Home Owners Association will be holding a neighborhood meeting on

Monday, June 12 at 6:30 pm, to consider the application of Michael Gonzalez and Sunny Foroosh, owners of 1160 El Medio Avenue, for permission to construct a new 4,175 square foot home on their property.

There are no requests for variances, and the plans show that the new house will not be higher than 15'6", the maximum height allowed by our CC&Rs.

The meeting will be held at the home of Howard and Suzanne Weisberg at 16001 Anoka Drive.

Members of the PHOA Board of Directors will be present to discuss the plans. All members of the PHOA are welcome to attend. If you are not able to attend and would like to submit any comments or concerns, please email palisair@gmail.com.

If you plan to attend please RSVP 24 hours before the meeting to palisair@gmail.com.

Best regards,

Howard Weisberg, Vice President
Palisair Homeowners Association
