Hello. After the recent PHOA Board decision re: the Landscaping/View with our neighbors (Gallaghers), we extended another friendly invitation to them to meet with us to resolve the issue. This invitation was sent by Registered Mail. After 4 weeks we have not yet received any replies. In the same letter, we also requested if they can have the vegetation/trees modifications completed by July. There has been no modifications of the growth to date.

Because we prefer not to proceed and file a lawsuit with the neighbors re: this matter, we are seeking from the PHOA any advice/suggestions used to help homeowners in the past with similar Landscaping/View disputes with non-compliant neighbors.

Please contact me any time at (213)712-5555 if you have any suggestions.

Sincerely,

Rick and Marisol Barbers
