NOTICES

As in past years, the only business transacted at the Annual Meeting will be the announcement of the report from the Inspector of Elections of the **result of the election of Directors** for 2019.

But in addition, we have arranged an informative meeting for you, and we encourage you to attend.

Our **guest speakers** this year are Deputy Chief Armando Hogan, Bureau Commander, Operations West Bureau, Los Angeles Fire Department and Assistant Chief Orin Saunders, Assistant Bureau Commander, Operations West Bureau, Los Angeles Fire Department. They will be introduced by Miriam Schulman, who is Vice President of your PHOA and Wildfire Safety Adviser to the Pacific Palisades Community Council.

Chief Hogan and Chief Saunders will give presentations on **Wildfire Preparedness and Safety for the Palisair**. As homeowners living in the wildfire urban interface, we are keenly interested in wildfire prevention,

response and evacuation plans, and how we can prepare our properties in advance to make them resistant to wind-blown embers if a fire is nearby. We hope you will find their presentations enlightening.

The remainder of the meeting will be devoted to **reports from the PHOA Board**, and an **Open Forum** in which Members and Directors can engage in an open discussion of topics of interest.

Sincerely,

Your PHOA Board of Directors
